Date: 18-06-2017

GUIDELINES FOR FCPS PART I CANDIDATES.

1. Entrance into the examination hall requires Admit Card.
2. The examination hall will be opened 15 minutes before the schedule for the candidates to take their seat.
3. Entrance into the examination hall closes 15 minutes after the commencement of examination. Under no circumstances one can be allowed beyond this deadline.
4. No examinee will be allowed to leave the examination hall no sooner than 15 minutes before the end of examination.
5. Candidates are to bring their own ballpoint pen, 2B pencil, sharpener and good eraser.
6. A separate answer sheet (OMR sheet) will be provided for answering 50 questions. All answers should be recorded in the answer sheet by filling up the appropriate circle.
7. The answer sheets are not to be folded or damaged in anyway. No writing is to be allowed in the space provided for answers in the answer sheet.
8. The part of the answer sheet which includes name, registration number, roll number, course, subject and **set code** (where applicable) should be filled in with ball point pen at the beginning of the examination.
9. Candidates are instructed to fill in the 6 digits of their roll number only on Answer sheet. Follow the example below:

EXAMPLE :- A candidate in FCPS Part-I, Paediatrics whose Roll No. is 390712.

Subject	
Obst. & Gynae	<input type="radio"/>
Surgery	<input type="radio"/>
Medicine	<input type="radio"/>
Paediatrics	<input checked="" type="radio"/>

Paper	
I	<input checked="" type="radio"/>
II	<input type="radio"/>
III	<input type="radio"/>

Roll No: Here you will find 6 boxes to write your roll.

Example:

3	9	0	7	1	2
0	0	<input checked="" type="radio"/>	0	0	0
1	1	1	1	<input checked="" type="radio"/>	1
2	2	2	2	2	<input checked="" type="radio"/>
<input checked="" type="radio"/>	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	<input checked="" type="radio"/>	7	7
8	8	8	8	8	8
9	<input checked="" type="radio"/>	9	9	9	9

Candidates in Medicine, Surgery and Obst. & Gynae should fill their set code circle as follows:-

Set Code	
A	<input type="radio"/>
B	<input type="radio"/>
C	<input type="radio"/>

10. Answers are to be scrutinized by Computer software.
11. There will be 35 Multiple Choice Questions of multiple "True" / "False" response type with 5 branches to each question, i.e., a, b, c, d, e. Each of these five branches will be either "True" or "False" and are to be marked accordingly on the answer sheet by filling in the appropriate circle with a 2B pencil. **There will be 15 Single Best Answer type questions where candidate will respond to one answer only.** Make sure to fill the circles completely and dark enough to be read by an optical mark reader (OMR sheet). Follow the example below.

EXAMPLE for MCQ :

Hormones affecting growth of bone:-

- a) Parathormone
- b) Thyroxine
- c) Aldosterone
- d) Growth Hormone
- e) Testosterone

Answer :
